

Fill in the numbers along the rows and columns, then fill in the diagonal. Continue by filling in squares along the diagonal.

Picking the first number moves your opponent to the square below, picking the last moves opponent to the square to the left:

Solution:

	3	1	7	5	8	4
3	3	3 F	8 L	10 F	14 L	18 F
1		1	7 L	6 L	15 L	10 F
7			7	7 F	13 L	15 F
5				5	8 L	9 F
8					8	8 F
4						4
